Study in Brisbane

Queensland has one of the lowest costs of living in comparison with the other Australian states.

Australian Education International estimates that an international student in Australia will spend about \$380 a week on accommodation, food, clothing, entertainment, transport and telephone. This figure is only an estimate though, and will change depending on your location, lifestyle and even your course.

Activities

When it comes to entertainment and events, Brisbane offers a huge number of activities, days out and things to do for anyone and everyone, regardless of taste or budget.

For experiences unique to Brisbane, there's Lone Pine Koala Sanctuary, where you can cuddle a koala, or the amazing Story Bridge Climb. Popular Brisbane events such as the spectacular Riverfire, the famous Ekka and, for sports lovers, the State of Origin, are all must-dos.

Brisbane also hosts a variety of cultural and food events throughout the year such as the Paniyiri Greek Festival and the Caxton Street Seafood Festival.

While students can access some great experiences at discounted prices using the Brisbane Buddy card, there are also plenty of free things to do around the city. The Brisbane Cultural Centre, home of the Brisbane Museum, Queensland Art Gallery and Gallery of Modern Art (QAGoMA), offers free entry for its permanent exhibitions. Once you've had your fill of culture, head to South Bank, where you can enjoy a cheap meal in the parklands or a swim at Streets Beach overlooking the Brisbane city skyline.

Brisbane also hosts a range of initiatives specifically designed to help international students feel welcome during their stay and help them become familiar with the city. These include the City Welcome Festival, and the Lord Mayor's International Student Friendship Ceremonies.

Information about SYDNEY

As one of the world's most cosmopolitan cities, Sydney boasts an exciting, safe and clean place to visit. A broad range of services available for the international visitor combined with a high standard of education and student services makes Sydney the premier destination for study.

With a mild to warm climate, Sydney's numerous parks and beaches provide the perfect setting in which to enjoy outdoor activities and a healthy lifestyle. The diverse mix of cultural groups gives Sydney a rich international atmosphere. With hundreds of restaurants, cafes and cultural attractions, Sydney has something for everyone.

Transport is another area in which Sydney excels. Sydney has modern and clean trains, buses, ferries, light rail and taxis, which are safe and reliable. Sydney's natural environment consists of a unique range of native plants and animals, which may be seen in the easily accessible zoos, wildlife parks and pristine national parks which surround Sydney. These features are what make Sydney one of the world's most popular tourist and study destinations.

Living Costs in Sydney

Students may have difficulty finding a job in the first few weeks or months upon arrival in Sydney. Finding accommodation, applying for a work permit, taking care of household chores and adjusting to a new study environment can take a lot of time. Therefore, it is highly recommended that you bring with you enough funds to support yourself.

Approximately \$18,000 Australian Dollars (AUD) should be allocated for living expenses for each year of study.

Climate in Sydney

The climate in Sydney is generally mild but with marked seasons. For those of you who live near the Equator, you will notice a distinct difference between summer and winter, with no clearly defined wet and dry seasons. For those of you who come from higher latitudes in the Northern Hemisphere you will notice that our summers and winters are the reverse of what you are used to. www.sydney.com.au/weather

Australia has **four seasons**:

Summer - December to February

Autumn - March to May

Winter - June to August

Spring - September to November
